PROOF LITE (PARASOL FABRIC)

Composition:	100% Solution Dyed UV Stabilized Polyester.
Mass (gsm):	250 g / sq metre
Width (cm):	183
Warp ends/cm:	24
Weft picks/cm:	17
Light fastness:	6-7

We provide a 3 year guarantee against becoming unserviceable due to fading, limited to replacement of fabric only

Breaking strength warp (N):	>1500
Breaking strength weft (N):	>800
Water repellancy:	100/100
Oil repellancy:	5/5
Soil repellancy:	5/5

The yarns we use in this fabric are made from solution dyed polymer, sourced in Europe. This means that the pigmented colour is added to the molten polymer. The result of this is that the colour lies evenly through the cross section of the fibre, and not just in the outer layer as with conventional dyeing.

The advantages of this are firstly, that the colour no longer has to have a chemical affinity with the polymer, so we can use pigments which have a much greater resistance to fading than dyestuffs and

secondly, that as the colour fades in the outer layer, what is exposed has exactly the same colour, and so little or no change of colour is noticeable for long periods of time, hence our guarantee.

The fabric is treated with a fluorocarbon fabric protector which imparts a water, oil and soil repellent finish, for quick drying and easy cleaning.

The fabrics can be washed at 40 °C or dry cleaned, followed by air drying, not tumble drying, and a warm ironing treatment is recommended as it enhances the water repellent properties.

A biocide is also added during this application to help prevent mildew.

These treatments are done with chemicals sourced from reputable companies, and are not in any way toxic.

We guarantee that fabrics in the **PROOF LITE COLLECTION** will not become unserviceable due to fading or loss of strength for **three years** from date of installation, provided that you retain the sales invoice from the manufacturer of the item purchased.

This guarantee does not cover Acts of God, wilful destruction, normal wear and tear or staining by atmospheric pollution.

This guarantee covers the replacement of the fabric only and does not cover labour or installation.
